### ADAPTER HOSES

The 40407 adapter hose has a safe, convenient, "user friendly" design that makes it ideal for hooking up portable, high pressure propane appliances such as camp stoves, lanterns, and table top grills to large cylinders.

Extend-A-Flow Kit  
with POL Connection

The 42421 Extend-A-Flow adapter hose is also designed to thread directly into the opening on the high pressure appliance. However, its other end is engineered to go into one of four adapter tee fittings. One end is 1" 20, male swivel for the appliance and the other is 1" 20, female swivel for the tee fitting connection.
